

**PUNXSUTAWNEY CHRISTIAN SCHOOL
UNDER CONSTRUCTION FOR CHRIST**

Proverbs 24: 3-4 "By wisdom a house is built,
and through understanding it is established;
through knowledge its rooms are filled with
rare and beautiful treasures."

Dear PCS Supporter and Friend,

Welcome to the 2024-2025 school year!

At PCS, our faith and trust are in the Son of God, a carpenter's Son, the Master Builder, Jesus Christ. Our blueprint for our school is His word, the Bible. The administration, teachers, and support staff are focused on spiritual growth, academic success, and staff unity.

Building Progress: This summer, the Lord blessed us with the necessary tools for construction: dumpsters and scaffolding. The dumpsters removed the old and broken, while the scaffolding supported the restoration and elevation of the new.

Academic Blessings:

- A full staff with experience and higher education degrees.
- All classes are teacher-instructed.
- Conception of the middle school.
- In-depth smart board training for staff to maximize their potential.

New high school enrichment classes

- 3 Penn State Extension Programs: Robotics, Agriculture, and Real World Math.
- Advanced Art and Music taught by teachers majoring in these subjects.
- Addition of Home Economics and a higher structured Gym class.

Elementary enhancements:

- Bible enrichment class.
- Structured library, gym, music, and art classes.
- New staff

Some of our enrichment class professionals are donating their time.

Building Blessings:

- Sealed and painted parking lot.
- New roof on the entire building.
- New ceiling in the entrance hall.
- Remodeled library.
- New air conditioner unit for preschool room.
- New window blinds.
- Emergency lighting.
- New dishwasher.
- New boiler system.

These building blessings were made possible by generous monetary donations and contractor manpower.

Financial Needs:

Currently, we need donations and successful fundraising to support our annual budget.

PCS Budget for the Year:

- Tuition Income: \$266,700.00
- Expected Expenses: \$428,315.00
- Funding Gap: \$161,585.00

Please note that our average teacher salary is \$16,100.00. The rising costs of technology, utilities, insurance, and other expenses have prevented PCS from providing deserved raises and benefits. We depend on you, our donors and fundraising supporters, to help bridge this gap.

Join Us in Building a Brighter Future:

Your support is the cornerstone of our continued success. Together, we can construct not only a school but a community built on faith, knowledge, and love. Every donation, every prayer, every moment of your time is a brick in the foundation of our children's futures. Let's build something extraordinary for Christ and for our students. Thank you for being an integral part of our journey.
