

PCS 7th through 12th grade families

Because the students have several different teachers throughout the day, students in grades 7-12 do not receive a supply list for the upcoming school year. A note will come home over the summer so that you know what supplies will be needed for each particular class. Listed below are some items that all students in grades 7-12 will need to begin the school year. Please send these items with your student on the first day of school. Watch for further details from each of the teachers.

- 4 packs lined paper
- Pencils
- Pens (blue or black only please)

- Tissues (4 boxes)
- Hand Sanitizer (1)
- 1 ream White copy paper 8 ½ x 11
